Re: LB 112 (J. Albrecht) Require members of the public to be allowed to speak at each meeting subject to the Open Meetings Act

Support

Dear Senator Brewer:

For the record, the League of Women Voters of Nebraska supports LB 112: public bodies shall allow members of the public an opportunity to speak at each public meeting subject to the Open Meetings Act.

The League has long worked for the public's right to know and for broad public participation in government as a necessary component of decision making at all levels of government.

We urge you to advance LB 112 to General File for full debate.

Sincerely,
